President's Note

Greetings,

As we begin 2021 we give thanks for our health, the health of our families, all of our employees and their families, and the health of all the specialty food community.

2020 will go down in history as a very difficult year. Our local restaurants bore the brunt of the lockdowns and managed valiantly in a very difficult time. Some will not survive. Our local retailers kept food on our tables and their brave workers risked their lives to keep the groceries on the shelves.

Let us not forget all the truckers moving the goods and seamen manning the ships across the oceans and the long shermen unloading the ships.

Thank you all.

I marvel at the tenacity of the American people. There is an old saying, "In every cloud there is a silver lining". The silver lining in these very difficult times is our country will come together as we have in the past to solve the very serious problems facing us.

We at Lettieri have been blessed to work in an industry that helps to feed our local, regional and national communities. We are dedicated to finding these special items, as showcased in our catalog, to bring to your table.

We thank you for your business and wish your health and success in the coming year.

Warm Regards,

Francesco Lettieri, President & Founder

The Founder

Francesco Lettieri has a passion for food. Born in Calabria and raised in Chicago, Francesco was surrounded by homemade Italian food growing up, and always had the dream of entering the gourmet food business. He moved to San Francisco in 1973 and opened a small sandwich shop, called Mr. Submarine in the Marina neighborhood. Mr. Submarine was a success and the business quickly grew to 7 locations. In 1986 he sold the chain, and in 1988 officially opened Lettieri & Co. Francesco's dream of importing finely crafted food and wine from Italy and around the world had been realized. Throughout the years, the company has grown in size and now carries over 75 lines of imported goods. His passion for food has not faded a bit. Francesco still travels the world, finding hidden culinary gems to bring to your retail store and food-service business.

The Future

Along the way, Francesco and his wife Nevenka had two sons, Antonio and Dino. Both sons have been learning the food importing and distribution business from an early age and are excited to continue to grow the family business. Dino's outgoing personality made him a natural fit for sales, and he is now the Director of Sales and Marketing at Lettieri & Co. Tony's knack for finding new and exciting products along with his broad based knowledge of the operations of the company lends itself perfectly to his position as Chief Operating Officer. With a solid base of well-established contacts around the world, and a new generation of Lettieri's poised to grow the business, the future looks bright for Lettieri & Co!

Lettieri Goes Green!

As of December 18, 2014 Lettieri & Co. is running our 40,000 sq ft warehouse on 100% solar power! THE TASTE OF NATURE

TERROIR, CRAFTSMANSHIP, TECHNOLOGY AND EXCELLENCE.

Azienda Agrimontana S.p.a. was founded in 1972 in Borgo San Dalmazzo, Piedmont, Italy. Its goal was to offer top quality products for professional pastry chefs, gelato makers and consumers.

From the very first years, it has become the market leader for chestnuts (marrons glacés), candied fruits, jams and honeys in Italy. Today, the product range also includes natural bases and pastes to prepare a real Italian gelato.

After almost 50 years of market presence, its philosophy remains unchanged: 100% natural products, first choice Italian raw materials from a controlled supply chain, an artisanal approach to product preparation supported by technology and rigorous quality control.

Since always, Agrimontana offers the best of nature.

Coffee

Family owned since 1882, Caffe Vergnano slow roasts all their beans separately to ensure an even roast and deep, rich flavor. The roasted beans are then mixed together to make the unique flavors of Caffe Vergnano's line.

A seductive taste.

Naturally, the secret of the best jams is no secret, but given by nature. It needs no more than first-class fruit and knowing how to process that fruit carefully, which has always been passed on and perfected at Darbo from generation to generation. And that's something you can taste too. Let yourself be seduced by the exquisite taste of Darbo.
