President's Note

Greetings,

As we begin 2023, we continue to give thanks for our health, the health of our families, all of our employees and their families, the health of all the specialty food community and the United States of America.

Looking back on the challenging year of 2022, small rays of hope are appearing. We exhibited in the Winter Fancy Food Show in Las Vegas, the Summer Fancy Food show in New York and attended the Sial International Fair in Paris after not attending since 2019. The Specialty Food world is returning to normal. We reunited with old friends and met with new vendors with some exciting new products to add to our assortment.

As we look ahead for 2023 we are still facing challenges in our supply chain and logistic channels. We look ahead with hope that the winds of change will continue, and the rays of normality will shine in the coming year.

We at Lettieri have been blessed to work in an industry that helps to feed our local, regional and national communities. We are dedicated to finding these special items, as showcased in our catalog, to bring to your table.

We thank you for your business and wish you health and success in the coming year.

Warmest Regards,

Francesco Lettieri, President & Founder

The Founder

Francesco Lettieri has a passion for food. Born in Calabria and raised in Chicago, Francesco was surrounded by homemade Italian food growing up, and always had the dream of entering the gourmet food business. He moved to San Francisco in 1973 and opened a small sandwich shop, called Mr. Submarine in the Marina neighborhood. Mr. Submarine was a success and the business quickly grew to 7 locations. In 1986 he sold the chain, and in 1988 officially opened Lettieri & Co. Francesco's dream of importing finely crafted food and wine from Italy and around the world had been realized. Throughout the years, the company has grown in size and now carries over 75 lines of imported goods. His passion for food has not faded a bit. Francesco still travels the world, finding hidden culinary gems to bring to your retail store and food-service business.

The Future

Along the way, Francesco and his wife Nevenka had two sons, Antonio and Dino. Both sons have been learning the food importing and distribution business from an early age and are excited to continue to grow the family business. Dino's outgoing personality made him a natural fit for sales, and he is now the Director of Sales and Marketing at Lettieri & Co. Tony's knack for finding new and exciting products along with his broad based knowledge of the operations of the company lends itself perfectly to his position as Chief Operating Officer. With a solid base of well-established contacts around the world, and a new generation of Lettieri's poised to grow the business, the future looks bright for Lettieri & Co!

THE TASTE OF NATURE

TERROIR, CRAFTSMANSHIP,
TECHNOLOGY AND EXCELLENCE.

Azienda Agrimontana S.p.a. was founded in 1972 in Borgo San Dalmazzo, Piedmont, Italy. Its goal was to offer top quality products for professional pastry chefs, gelato makers and consumers.

From the very first years, it has become the market leader for chestnuts (marrons glacés), candied fruits, jams and honeys in Italy. Today, the product range also includes natural bases and pastes to prepare a real Italian gelato.

After almost 50 years of market presence, its philosophy remains unchanged: 100% natural products, first choice Italian raw materials from a controlled supply chain, an artisanal approach to product preparation supported by technology and rigorous quality control.

Since always, Agrimontana offers the best of nature.

IMPORT THE CHEESE MAKERS

NOT THE CHEESE!

At the origin lies a simple observation: to have the freshest quality of cheese, one should not import the cheese, but the cheese makers. Further developed and mastered over three generations– but produce everything from their Los Angeles based factory.

It is through this mix of cultures and countries, tradition and local modern implementation, that our artisans are able to bring you some of the best mozzarella and ricotta cheese in the world. More than a product, Angelo & Franco is about sharing an experience.

What is Novello?

Novello, Italian for “new”, is the name given to early harvest extra virgin olive oil that is **freshly pressed from green olives** and is a celebration of the beginning of the olive harvest season.

Intensely Fresh

Novello is totally **unfiltered** with intensely fresh, fruity aromas predominant of green olives, fresh cut grass and herbs. Its flavor is robust and spicy with a pleasant, slightly bitter finish.

A seductive taste.

Naturally, the secret of the best jams is no secret, but given by nature. It needs no more than first-class fruit and knowing how to process that fruit carefully, which has always been passed on and perfected at Darbo from generation to generation. And that's something you can taste too. Let yourself be seduced by the exquisite taste of Darbo.
